

## Steps to Order a Knox Box

You may purchase a Knox Box by ordering from the Knox Box website. If your building only requires 1-2 master keys you may purchase the cheaper Residential Box for a Commercial Building. If you have more than 2 keys you will need to purchase the bigger Commercial Box.

After completing the purchase fill out the attached Knox Box Contact Information Form. This will need returned to the Fire Department or Building Department prior to locking up the Knox Box.

1. Go to [www.knoxbox.com](http://www.knoxbox.com)
2. Click on the "BUY" link at the top right side of the page to select and buy your Knox Box

### Knox® Rapid Access System Powered by One Master Key

Trusted by thousands of fire and law enforcement agencies for over 40 years, Knox Rapid Access Solutions have provided first responders with immediate access into secure buildings, campuses, residences and commercial properties when it matters most. Removing barriers to entry reduces injuries to responders and minimizes property damage. That's the power of the Knox rapid access system.

3. Select your installation location and fire department

A screenshot of the Knox Box website's location selection form. The form has a title 'To see products available in your area, select your local department/agency'. It contains two input fields: 'Your location' with 'ILLINOIS' selected and 'Local fire department/agency' with 'Charleston Fire Dept' entered. A red 'Search' button is at the bottom right.A screenshot of the Knox Box website's selection confirmation screen. It shows 'Charleston Fire Dept' and 'CHARLESTON, IL 61920-3321' with a red 'Select' button. A 'Back' link is at the top left.

4. Next select the appropriate product you wish to purchase (below is an example for a residential box)

6. Select your options (tamper switches are not required)

The screenshot shows the product page for the Knox Residential Box (Model: 1658). The page includes a navigation bar with the Knox logo and links for HOME, INDUSTRIES, PRODUCTS, and SUPPORT. A search bar is located in the top right corner. The breadcrumb trail reads: Home | Products | Residential KnoxBoxes | Knox Residential Box™. The product title is "Knox Residential Box™" with a retail price of \$253.00. The configuration options are as follows:

- 1. Door Hanger:** Radio buttons for No (selected) and Yes.
- 2. Tamper Switch Type:** Radio buttons for None (selected) and Security Alarm.
- 3. Color:** Radio buttons for Aluminum, Black (selected), and Dark Bronze.

Below the options, there is a section for installation availability: "Available for: Charleston Fire Dept - CHARLESTON, IL" with a dropdown menu labeled "Choose installation address". A red "Add to Cart" button is positioned to the right of this section. On the left side of the page, there is a product image of the box and a "For Ordering Support" box with the contact information: "Call: 800-552-5669, 6:00 AM - 4:00 PM MST".

7. Enter the installation address

This screenshot is identical to the one above, but with a red oval highlighting the "Choose installation address" dropdown menu. The dropdown menu is currently empty, indicating that the user is in the process of entering an installation address.

8. Confirm the address is correct and check box
